it is a great honor and pleasure to welcome You on behalf of Auto Club “Delta Sport” organizers of the competition "6. INA RALLY KUMROVEC 2017.", which will once again be opening of the new rally season of Croatian Car and Karting Federation.

Excellent co-operation of the club organizer and co-organizers Municipality of Kumrovec, the Tourist Board of areas Kumrovec-Desinić-Zagorska Sela, Terme Tuhelj and Krapina-Zagorje County contributed to the popularization and quality of the event which we wish in a long term to become a recognizable brand on the tourist map of Krapina-Zagorje County besides sports competition.

I hereby wish to thank all the partners and sponsors who support the organization of the rally since its first edition in 2011 and without which certainly it wouldn’t been possible to organize such an octane spectacle, and I'm in particular pleased that in this year also Croatian oil company INA will be our partner.

Sixth consecutive year Zagorje roads around Kumrovec and Zagorska Sela will become a sports arena for Croatian but also for numerous foreign rally crews and the safety of participants and spectators is the highest priority of the organizers. The best qualified marshals of Croatian rally sport, trained in safety seminars by FIA and ASN were involved in making of the Safety plan as well as they will be in charge during the competition. With the support of numerous supporting services, with their knowledge and experience, over a hundred officials will secure the highest safety standards during the “6. INA RALLY KUMROVEC 2017”. Discover the pleasures of summertime lying in the shade of a linden tree or under an old grapevine trellis, and experience the lush autumn with its fruits and colors. Walk from one hiža to another, peek into the barn, the corncrib, and the well, and stroll to the end of the village, where the restored elementary school building stands.

We look forward to have opportunity to see again best Croatian and region rally drivers.

Competitors and all other visitors have a pleasant stay in Zagorje!
The motorsport in Hrvatsko Zagorje occurred for the first time in 1970s. For almost two decades Kumrovec hosted one of the motorsport events with most numerous driver from all around ex-Yugoslavia. It was one of the biggest sporting events in the region with over 200 entrants at the start. Many of them failed to qualify for the finals. With their race finished on saturday, they cheered for their colleagues on sunday. Kumrovec was the host of heavy battles for the trophies, but also a popular gathering point for motorsport fans of all generations.

More than 20 years since the last Car and Motorcycle rally Kumrovec was held, Auto Club “Delta Sport” crew decided to revive the tradition. In late 2010 the concept of sprint rally was born and just several months later with a great help of local authorithes the event was held. “First Sprint Rally Kumrovec 2011” took place on April 1st and 2nd, and it was the opening competition of the Croatian Rally Championship. Entry list had a total of 35 crews, with 30 cars at start. Beautiful spring day gathered several thousand spectators who witnessed attractive driving and historical win of Hungarian crew Janos Szilagyi and Viktoria Zejda in Mitsubishi Lancer EVO IX.

The following year the rally was recognized by national and international crews as one with the most demanding special stages. “Second Rally Kumrovec 2012” was held on March 30th and 31st with 40 crews from five countries at start. Once again Janos Szilagyi and his Lancer EVO IX were too fast for the competition. Navigated by the new co-driver Botond Csanyi, Szilagy managed to win with more than 20 seconds ahead of ex-European hill climb champion Niko Pulic with navigator Sasa Bitterman. Once again weather was fine and even more spectators than year earlier came to see exciting fight for the podium places. The AC Delta Sport set a new standard for organizing of rallies and Second Rally Kumrovec was declared best Croatian rally in 2012 by Croatian Car and Carting Federation.
Great expectations for the "Third Rally Kumrovec 2013" were heavy cross for the organizers who once again did a good job. The decision was made to go even further than previous year. Promotional driving and VIP tent on the special stage were introduced as well as rally party with live concert by Euro Art Band. Due to very cold weather attendance was less than expected, but again fair. Start list had a total of 45 crews, with Szilagyi/Csanyi justifying their role of favourites. Unfortunately they had to withdraw at half of the rally due to co-driver illnes. Daniel Šaškin and Damir Bruner in Mitsubishi Lancer EVO X took advantage of Szilagyi/Csanyi bad luck and won their third overall victory in career. For the second consecutive year Rally Kumrovec was chosen as the best organized in Croatia.

Well positioned on Croatian motorsport map, Rally Kumrovec appealed new partners prior to it's fifth edition. Croatian oil company has become a sponsor and the part of the name of the competition “Fifth INA Rally Kumrovec 2016”. The concept of the competition was the same as a year earlier which attracted the crews, 75 in total entered for the rally, and 73 actually arrived in Kumrovec. On Friday, the prologue at Terme Tuhelj Antal Kovacs and Gergo Istovics, as well as Zoltan Lencse and Tamas Hofbauer in Ford Fiestas R5 announced the fight for the top order. Saturday brought a huge invasion of spectators who enjoyed the fight of the crews on the muddy special stages. Tradition of the wins of the Mitsubishi Lancers was continued by Krisztian Hideg and Istvan Kerek in the Evolution IX. Kovacs and Istovics were second-placed with a whole second behind, and Daniel Šaškin and Saša Bitterman in Evolution X were third with 16 seconds behind the winner.

Year 2014 was the one of the most difficult in AC “Delta Sport” history and due to financial troubles Rally Kumrovec was canceled. A negotiation with couple of potential general sponsors failed, and it was impossible to meet the standard set in previous years. The decision was hard, but it had to be made, since the organizer didn’t want to set an average event. Despite bitter taste in the mouth, the plans for next year were made immediately as the words of comfort were arriving from all sides.

With one year off a new challenge was in front of AC “Delta Sport” crew – “Fourth Rally Kumrovec 2015”. Still consolidating the budget another high standard event was held with 42 crews from four countries participating. The tightest fight for the overall win was fought by previous winners Szilagyi/Csanyi and Šaškin/Brunner. Last special stage was decisive. Szilagyi and Csanyi were 6,6 seconds faster for their third win in Kumrovec. Lovely weather brought many spectators to the first rally of the season. Once again the organizer got good grades from Croatian Car and Carting Federation.
